

# BOB JANE T-MARTS SOUTHERN 80

## CAN ROLCO DO IT AGAIN?

It will be two in a row if Rolco (above) wins the Southern 80 on Sunday.

### The winners

If Sunday's Southern 80 winner covers the 80 kms course in less than 38 minutes 25 seconds it will smash the record set by Rolco last year.

Rolco IV took more than a minute off Locomotion's record speed of 39.28 in 1981, the first time the race was run under 40 minutes.

In 1980, Violator's time was 40.33 and The Tack made it in 41.45 minutes in 1979.

Two-time winner, Suicide, failed to break the record set by Harada in 1976 (41 minutes) when it claimed the title in 1977 (42.05) and 1978 (43.30).

Since 1980 the fastest boat has won the Leigh Johnson Memorial Trophy, inaugurated after the sudden death of the Moama Water Sports Club committee member.

Leigh was a founding member of the club and an enthusiastic worker and supporter of the annual ski race which the club has organised since 1975.

A superb skier, Leigh skied behind the winning boat, Mercedes, in the 1978 Australian six-cylinder championships.

Leigh died on July 20, 1979 in a car accident at Kotta.

His nine-year-old son, Aarron, who has been skiing since he was three, will be competing on Sunday behind the Mildura boat, Mystery.

### Can Rolco make it two in a row?

After last year's record-breaking win, Ted Harley's Rolco looks the one to beat in the Bob Jane T-Mart's Southern 80 on Sunday.

After a serious accident at Ballarat last year, Ted is gradually returning to the race circuit and is keen to win his second Southern 80 title. Skiing behind Rolco V will be Michael Foott and Phil Huggett.

Hoping to unseat the reigning champion will be the 1981 winner and last year's runner-up Locomotion.

Peter Waterhouse has entered her in the unlimited class and will be towing John Gysbert and 14-year-old Linc Kelly of Eaglehawk.

Another favorite is Len Retallick's Cinders which many people would like to see finally win the Southern 80 after so many years trying to clinch the title.

Bad luck hampered Len last year when Cinders struck engine trouble and could not finish.

Trevor Gallard's \$50,000 Aquaholic is another main contender and will be tow-

ing Australian junior boy speed champion Wayne Fazzalari and John Gallard.

Echuca's own Victorian men's champion, Craig Beehag, will ski with Rod Johnson behind Rod's racing bullet hull Osprey and local junior skier Glen Lochhead and Wayne Donahue, from Hamilton, will be towed by Frank Kinnersley's super-charged boat Cassius in the junior class.

Other main chances in the expert class are Jus Crazy, Rip Off and Terrorfier.

The expert class starts at 1 pm this year to allow more people to see the popular, high-powered boats compete. The novice classes will be held in the morning.

Ross Bulley has entered his new Syndicate boat Hostile in the novice under six-litre class with Ken Brownfield and Graham Richardson skiing, and Harley Nicholls' reliable crew of Russell Johnson, Gary Henson and Trevor Musty will be trying to win their class for the fifth time.

Other boats include John Thompson's Akubra, Gordon Rickard's Donzi and G. Healey's Canned Heat.

Between 12.30 pm and 1.30 pm the Victorian Water Ski Association (Show Division) will put on a display similar to the Moomba events.

Women skiers will form pyramids and perform trick and precision skiing for the crowd before the race boats start arriving in Echuca after 1.30.

There will be no bare-foot skiing displays this year.

Above: Locomotion, pictured here picking up skiers after last year's race, will be trying to regain the Southern 80 title it won in 1981.

We wish the best of luck to all competitors and have a fun day

## Ski race has record entries

A record 147 entries will compete in the Bob Jane T-Mart Southern 80 ski trial on Sunday.

The action-packed event, easily the largest ski race in Victoria, will bring together competitors from around the state, South Australia and New South Wales attempting to clinch the coveted title.

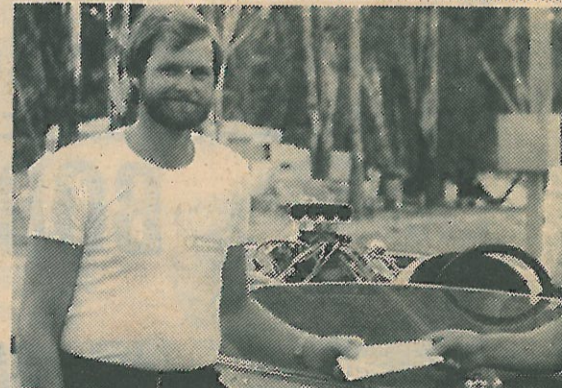

Altogether, this year's Southern 80 is worth more than \$4000 in prize-money and trophies.

The fastest boat to cover the 80-kilometre course from Torrumbarry to Echuca will win the Leigh Johnson Memorial trophy and \$500.

The fastest local boat — garaged within a 25-kilometre radius of

Echuca — wins the Leon Sharp Plumbing Perpetual trophy.

There is also a mid-week holiday aboard Rich River Houseboats to be won by the fastest novice boat with all members belonging to the one family and trophies for the fastest female skiers in the expert and novice classes.
